

HYTHE HERALD

Bringing you important updates and news from school and home

HYTHE SCHOOL

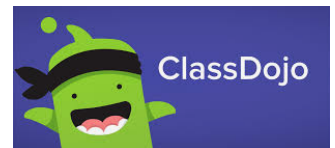

learning for life

AMAZON SMILE

You can now donate to The Hythe School PTA every time you shop on Amazon, using Amazon Smile. Simply follow this [link](#) and search for The Hythe Parent Teacher Association. Why not add it to your phone home page? Such an easy way to support our school. **After sharing this last week, we only have 5 supporters. Let's see if we can get to 20 by next week!**

COMING SOON!

We are working on ways we can celebrate and communicate even more effectively with parents about their children's learning and behaviour. Class Dojo is a fun and exciting platform that allows teachers, children and parents to share learning both at home and school. More about this in the coming weeks.

EPIC READING!

[Getepic.com](#) is a fantastic resource to support reading at home. We are conscious many of you may have come to the end of school reading books and exhausted home libraries during the closure. Visit this website to access over 40,000 age appropriate books and encourage your child to share their reading with the adults at home and school.

FURTHER SUPPORT

If you need additional family support such as the food bank, counselling, local charities that can offer support then please visit the Runnymede pages on the school website here by clicking on this [link](#).

A MESSAGE FROM MRS PEART

I have been overwhelmed with all the kind and encouraging messages we have been receiving from parents saying how positive their children's return to school has been. It makes all of the hard work put in by staff at all levels worthwhile. Thank you.

We have begun exploring ways in which we can use technology to provide more face to face time with a teacher for those children at home and for those children in school who are working with our support staff. Based on the parental feedback so far from the e-learning survey this is something you would like us to try to do more of. If you have not had a chance to complete the survey, please use the link below. It is important to us to gather views from as many families as possible.

As with any change to routines, there have been a few teething problems in the first weeks back. Please note the following:

- Those children bringing lunches from home must bring them in a disposable bag.
- Please do not arrive any more than 5 minutes early for drop offs and pick ups to avoid congregations and the risk of social distancing being broken
- Please make sure you only use your designated gate for entry and exit of the school site.

All of these things have been put in place to keep our school community as safe as possible.

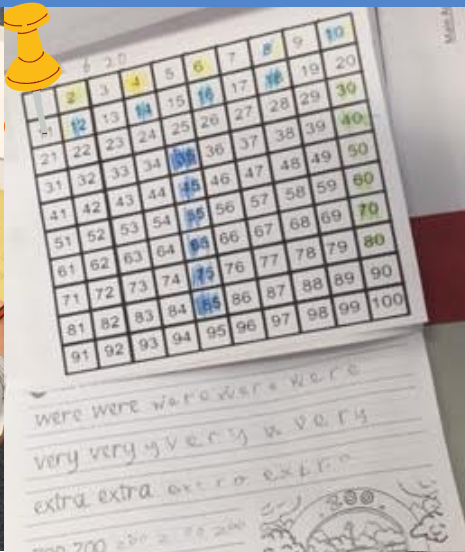

please click here

Please follow this [link](#) to complete a short survey about our e-learning and help us to understand how we can continue to support families in the long term.

HYTHE FAMILY NEWS

In each Newsletter we will be sharing some of the work you are producing at home and in school so please email your pictures to your class teacher or feedback@hythe.surrey.sch.uk or you could share on Twitter

Amazing learning at home and in school
