

HYTHE HERALD

Bringing you important updates and news from school and home

HYTHE SCHOOL

learning for life

Bug Club

BUG CLUB

Individual log ins for Bug Club are now being prepared for all children and will be issued with your child's annual report. Bug Club will allow your child to keep reading banded books over the summer.

SUMMER FOOD VOUCHERS

The government have now released details of the Summer Food Voucher scheme for those families entitled to Free School Meals. Vouchers will be issued through the government's Edenred platform and should be received by email or text. Each child will be entitled to one £90 voucher for the duration of the summer break.

RESILIENCE ASSEMBLY

Mrs Ahmed has put together another lovely assembly for children to watch at home. This week's video focuses on resilience. This is a quality many of us have had to display throughout the lockdown period and something children have shown us they have in abundance on their return into school.

FURTHER SUPPORT

If you need additional family support such as the food bank, counselling, local charities that can offer support then please visit the Runnymede pages on the school website here by clicking on this [link](#).

A MESSAGE FROM MRS PEART

It's been a hot and busy week at the Hythe as we have welcomed over 100 children a day into school. The children and staff have all been amazing this week- even in 30 degree plus heat! As you can see the children have been enjoying taking their learning outside and making the most of our school field and outside classroom.

From next week we will be offering Zoom lessons to Years 2, 3, 4 and 5. Parents should have received a letter about this and can sign up on SCOPay until 10am on Monday. We hope this will help those year groups not yet in school reconnect with teachers and peers before the summer break.

As a school we are still awaiting government guidelines for September. We expect to know more at some point next week and will communicate plans to parents as soon as we can. We appreciate all of the feedback we have had so far and thank you for the patience you have shown in allowing us to make the safest plans we can to get children back into school.

HYTHE FAMILY NEWS

In each Newsletter we will be sharing some of the work you are producing at home and in school so please email your pictures to your class teacher or feedback@hythe.surrey.sch.uk or you could share on Twitter
