A MESSAGE FROM MRS PEART

I'd like to say a huge thank you for all the support parents have shown to the school over the past couple of weeks. It is a huge credit to the whole school community and their commitment to following the school and government guidelines that we have been able to keep all bubbles open.

We have been in contact with Magna this week to ask them to remind their students about the importance of social distancing, especially around both school sites. We hope this will help to improve any congestion you may have experienced at the front of the school. Can we please ask you continue to maintain a 2m distance between yourselves and any other households when entering the school sites. We do understand the gates and paths into school are narrow and ask for your help to ensure everyone can enter the school site safely. This includes remaining two minutes apart when queuing before the gates open in the morning.

Thank you to all those who are walking, scooting and cycling to school where possible. Please be reminded children should not be riding their bikes or scooters on the school site. With our staggered timings lessons are often going on as children arrive or leave and this can cause a distraction.

It has been lovely to have such glorious September weather which has meant the children have been able to get outside lots. As we head into what is set to be another nice weekend please remember to continue to follow government guidelines and not meet in groups larger than 6.

HYTHE SCHOOL

learning for life

LUNCH ORDERS

Thank you so much to all the parents who have been ordering their child's lunches in advance using SCOPay. We now have around 95% of parents using this system which is a huge help to the school kitchen. If your child has packed lunch please use the code P to let us know. If you're not already using the system, please do give it a try as you can order your child's lunches all the way to half term and not have to think about it again!

HARVEST FESTIVAL

We would normally hold a special Harvest Festival assembly in Autumn term, however, this year we will be doing this virtually for the children in school. As in previous years we will be taking donations of tinned and non perishable items from **Tuesday 29th September**

MATHS WEBINARS FOR PARENTS

As a school we follow the White Rose maths scheme. We know it can often be difficult for parents to support children at home with their maths learning as many of the methods used have changed in recent years. White Rose are offering a range of workshops on topics such as Place Value, Addition and Subtraction and the Four Operations. These workshops are suitable for both parents and teachers. Some of them are free and others cost around £10. Please take a look at what's on offer [here](#).

Don't forget to follow our twitter feed for regular updates @TheHytheSchool

SCHOOL DIARY IMPORTANT DATES FOR THE YEAR

By clicking [here](#) you will be able to access an online school calendar. Please note some dates are subject to change but we try to minimise this as much as possible.

Term Dates

Inset day: Friday 23rd October

HALF TERM Monday 26th - Friday 30th October

AUTUMN TERM FINISHES 12:30pm 17th December

Inset day: 18th December

Inset day: Monday 4th January 2021

SPRING TERM STARTS Tuesday 5th January 2021

GOOGLE CLASSROOM

Hopefully, most children now have their Google Classroom log in. We'd like to take this opportunity to clarify a few frequently asked questions regarding the use of Google Classroom.

- Any child who is self isolating and well enough should be accessing Google Classroom daily to complete online learning.
- All children should access Google Classroom at least once a week as home learning tasks will be uploaded onto classrooms such as spellings.
- In the case of a bubble closure, that bubble's learning will all take place on Google classroom and will included daily live teaching.
- Your child's username is the email on their letter. These are not gmail email addresses but will log you in.
- For any issues with Google Classroom, please in the first instance, contact your child's class teacher who will endeavor to help you.

Remote learning in this way is new to us all and we appreciate your patience whilst staff get used to this new way of working.

Please take some time to read our updated [Virtual Learning Guide](#) for Google Classroom.

Star Readers

Each week we will be listing the top readers from each class on Bug Club.

It's lovely to see some new names on our Star Reader lists and also some children appearing for the second week. Well done to everyone who is putting in so much time with their reading.

If you are not sure how to access this please email your child's class teacher.

Class	Star Reader
Caterpillars	N/A
Ladybirds	N/A
1 Squirrels	Endri S
1 Rabbits	Molly S
2 Hedgehogs	Beau V
2 Badgers	James L
3 Butterflies	Suriya S
3 Dragonflies	Sharvani H
4 Robins	Yugan G
4 Wrens	Holly M
5 Kingfishers	Vennela T
5 Herons	Maddie A
5 Swans	Priya S
6 Owls	Zakariah G
6 Eagles	Niamh H
Harbour	Matthew B
