A MESSAGE FROM MRS PEART

What an exciting week Year 2 have had! The children have taken part in Pirate Day as part of their topic learning.

As we edge closer to half term, we'd again like to thank the parents and children for the patience they've shown the school since our return in September. It is a testament to the whole school community that we have only had one bubble closure this term as cases have risen within the local area. You have all supported our new procedures tremendously and we must now ensure we don't become complacent. Adults please remember to keep wearing masks on site, maintain social distancing and lots of hand washing for all! On Tuesday morning from 9:00 we will be sharing our first class assembly. This will be available for parents to watch from the Google Classroom for year 5 Kingfishers.

SCHOOL DINNERS

After half term the school kitchen will be reintroducing hot lunches. Please ensure you pre order your child's lunch by Monday 19th October. You should receive an email with up to date menu information.

INSET DAY

School will be closed to all children on Friday 23rd October for an INSET day.

PACKED LUNCHES

As a school we encourage the children to stay fit and healthy. One way we teach the children to look after their body is through a healthy and balanced diet. Please be reminded that packed lunches should not include chocolate, cakes or sweets. For ideas of some healthy alternatives please visit the [NHS Change for Life](#) website. We also have children in school with severe allergies so please do not send children in with anything that includes nuts.

PARENTS EVENING

Parents Evening appointments are taking place via Google Meets on 11th and 19th November. Please remember to book your appointment on SCOPay.

CHANGES TO YELLOW GATE

We have had lots of helpful feedback on the effectiveness of our one way systems. In light of this there will be a change to the yellow gate route from **Monday 2nd November**.

The yellow entrance will now be via the gate to the right of footprints if looking from Thorpe Road. You will then exit the school site via the main school gate.

We hope this should ease some of the congestion parents have experienced.

IS YOUR CHILD IN YEAR 6?

Apply online, apply by 31 October

If your child is due to start secondary school in September 2021, you have until 31 October to apply for their school place. If you miss the deadline, you reduce the chances of getting one of your preferred schools for your child. We recommend you apply as soon as possible and before schools break up for half term on 23 October to avoid any last minute hiccups.

While the usual open days and evenings may not take place this term because of Covid-19, please check school websites for details of virtual tours and alternative arrangements.

The online admissions system is quick and easy to use - you will also find information about schools in your area.

You'll receive the outcome of your application by email on 1 March next year. You can also log into the online admissions system from that evening to view your school offer.

If you cannot apply online, you will need to call Surrey's Schools and Childcare Service on 0300 200 1004 to request a paper application form. Make sure you send it back to arrive no later than 31 October. We recommend you send it by registered post.

Star Readers

Well done to all this week's star readers. It's lovely to see so many new names on the table, especially in KS1.

Next week we will be looking to see who in each class has read the most books in October. There's still time to be in with a chance of a prize- happy reading!

Please remember to speak to your child's teacher if you are having any problems with Bug Club or require physical books sending home.
